Hi Friends,

Regardless of the memories you made or milestones you reached in 2017, we can all agree that it was a year that will forever stand out. From Hurricane Harvey to the Astros winning the World Series, as a community, we endured deep lows and great highs.

And while Houston saw many changes from January to December, so did Crime Stoppers of Houston. After 36 years of consistent service, Crime Stoppers finally opened the doors to its first-ever home, The Dave Ward Building, Crime Stoppers of Houston. This new headquarters was met with tremendous community engagement; so much so that nearly 7,000 people entered our doors in the first year of service alone. Beyond the building, our programs grew, served and evolved with great purpose and focus.

Our Tip Line Program worked around the clock to assist law enforcement in solving serious felony crime cases like the murder of Bao and Jenny Lam, 12 aggravated bank robberies, and 51 domestic violence cases.

Our Safe School Program educated students K - 12th grade to ensure they were equipped with the tools necessary to stay safe on their school campuses, at home, and on the Internet. The program grew so much that the Safe School staff doubled by the end of 2017 and the launch of a new Safe School Institute is scheduled for 2018.

Our Safe Community Program maintained its position as the hub for all things public safety related and remained focused on working strategically with the community to bring cutting edge public safety information to the forefront.

The work of Crime Stoppers of Houston benefits every man, woman, child and animal that calls Houston home. We are and have always been #HoustonFocused, #HoustonStrong, and #HoustonCommitted. We remain invested in keeping Houston safe, but we could never do it without your time, talents and financial support. For this, we thank you tremendously and enormously and look forward to the work we will do in 2018, once again, together.

Our sincerest best wishes,

A blue ink signature of Rania Mankarious, consisting of stylized initials and a surname.

**Rania Mankarious**  
Chief Executive Officer, Crime Stoppers of Houston

AS OF DECEMBER 31, 2016 &amp; 2017

### 2017 SOLVED CASE HIGHLIGHTS

**WOMAN ROBBED AT GUNPOINT IN HER OWN DRIVEWAY:** On April 18, 2017, a woman returning home was approached by the suspect holding a gun and demanding her property as she tried to exit her car. She handed over her cell phone, wallet, and all the cash on her. The suspect fled but the victim's cell phone was recovered the next day. The phone contained self-recorded videos of the suspect and his accomplice driving the vehicle. That video was shown on local news outlets. Shortly after, Crime Stoppers received a tip identifying the main suspect by name. A photo was secured and the victim positively identified the suspect.

**MOTORCYCLE HIT AND RUN FATALITY:** On April 28, 2017, the victim was driving his motorcycle on Westheimer Road with his friend, Mr. Frasco. While traveling in the opposite direction, the suspect drove over the median and struck the victim head on; he then fled the scene. The victim was transported to a local hospital where he died from his injuries. Mr. Frasco gave a description of the vehicle. The investigator determined the make and model of the car and found the lower half of the license plate near the scene. An anonymous tip to Crime Stoppers gave an address in Richmond, Texas of the suspect. Police found the damaged vehicle at the address provided with license plate damage consistent with what the officer found. The suspect confessed.

**THE LAM CASE, COUPLE ROBBED AND MURDERED IN HOME:** In December 2017, two suspects pulled into a gated subdivision, crawled under the gate, and entered the Lam's home. The Lams were ambushed 20 minutes later when they returned home from dinner. Over the next few days, the suspects were seen going in and out of the Lam home repeatedly. A few days later, Richard Lam drove to his parents' home to check on them after not being able to reach them for two days. Richard called 911 when no one came to the door. When deputies arrived, they found the home ransacked and Bao and Jenny Lam bound and shot. A press conference was put on and by January 2018, a tipster called Crime Stoppers and gave critical information used by law enforcement to solve the case. Thanks to the tipster, three suspects were located and arrested.

# 2017 CELEBRATING HOUSTON ANNUAL GALA

On October 24th, Crime Stoppers of Houston celebrated our city after Hurricane Harvey at the Hyatt Regency Houston. More than 450 guests gathered for the organization's largest fundraiser of the year, where we raised more than \$308,000 for crime prevention programs.

Dave Ward joined emcee **Dominique Sachse**, KPRC news anchor, to lead the evening's program. Keynote speaker was ABC International Correspondent **Bob Woodruff** who shared his story of recovery after being hit by an IED while on assignment in Iraq. Guest speaker was **Alissa Parker**, mom of Emilie Parker, one of the 20 first grade children killed in the 2012 Sandy Hook Elementary school shooting in Newtown, Connecticut. She shared memories of Emilie and what happened on the day of the shooting. She encouraged guests to join her and Crime Stoppers to continue to work together on making sure our schools are as safe as possible.

On **January 27th, 2017**, we opened the doors to the first-ever Crime Stoppers headquarters anywhere in the world - The Dave Ward Building, Crime Stoppers of Houston.

Our new home in Midtown has brought the community together in a united space to discuss public safety and how we can make Houston a safer and stronger city. As we grow relationships with all sectors of Houston – social services, education, medical, government, law enforcement, faith-based, non-profit, philanthropic – and in every neighborhood, we look forward to working together to empower all of Houston’s citizens to further prevent and reduce crime through educational programming and intervention. In our first year of opening, we welcomed nearly 7,000 citizens into our doors.

The facility houses a **community center** where citizens, non-profits, students and faculty, law enforcement agencies and community partners convene for educational purposes; a **victim’s family room** for controlled media interviews and law enforcement case meetings; a state-of-the-art **press conference room**; expanded **program offices** that deliver direct crime prevention services to the community; and a greatly expanded **Law Enforcement Detail Office** to house our Tip Line Program.

## WAYS TO GIVE

Because of the generous support (both financial and time-giving) by individuals, corporations, and foundations, we are Houston's leading public safety 501 (c)(3) non-profit organization. Join us in ensuring a safe and prosperous future for our city.

### INDIVIDUAL GIVING

When you donate to Crime Stoppers of Houston, you help power crime-solving and crime-prevention programs that help keep Houstonians safe, empowered, and educated. Support our mission by making a tax-deductible gift.

### CORPORATE SPONSORSHIP

When businesses, customers, and employees are victims of crime, there is a chilling effect on commerce and economic growth. By becoming a corporate partner, your company has the opportunity to take a public stance against crime in our city. Sponsorship opportunities include tax-deductible gifts, in-kind donations, and event sponsorships, among others.

### BECOME A SAFETY ADVOCATE

By becoming a Safety Advocate, you are taking an active stand against crime and supporting the safety of everyone who calls the Houston area home. Depending on Advocates' chosen giving level, Safety Advocates will receive a number of Crime Stoppers metal signs to be displayed as desired.

### CAPITAL CAMPAIGN

Gifts to the capital campaign will allow us to finish paying off The Dave Ward Crime Stoppers of Houston building that serves as a mission-driven monument to crime prevention as well as a security hub for centralized operations, volunteers, victims, law enforcement and media.

### ANNUAL AWARDS LUNCHEON

The Houston's Heroes Awards Luncheon proceeds go directly to our crime-prevention services. We celebrate individuals and organizations who have given exemplary service to make Houston a safer place to live, work, learn, and play. Contact us to learn more about our events and the ways you can support them.

### ANNUAL GALA

The Annual Crime Stoppers of Houston Gala is the largest fundraising event of the year. Each October, we celebrate the ongoing efforts of the Crime Stoppers team and all of our partners who contribute to the crime-solving and crime-prevention efforts to further our mission. Contact us to learn more about our events and the ways you can support them.
