

While the October 2020 Leading the Way to a Safer Houston Gala was going to kick off the start of our 40th anniversary celebration, we are saddened to inform you that we, like many other charitable organizations, have had to cancel our event. In abiding by CDC and local guidelines, we think it is best to cancel and we have no plans of a virtual Gala moving forward.

Throughout the COVID-19 crisis, our team has been working around the clock serving our communities. We've stayed committed to listening, having balanced conversations and offering solutions for all.

Please consider making a donation to Crime Stoppers of Houston - similar to what you would have made attending one of our events or even more.
