## Independent Auditors' Report

To the Board of Directors of  
Crime Stoppers of Houston, Inc.:

We have audited the accompanying financial statements of Crime Stoppers of Houston, Inc., which comprise the statements of financial position as of December 31, 2020 and 2019 and the related statements of activities, of functional expenses, and of cash flows for the years then ended, and the related notes to the financial statements.

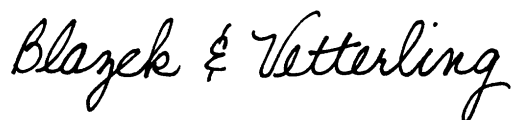

**Management's Responsibility for the Financial Statements** – Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility** – Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform our audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion** – In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Crime Stoppers of Houston, Inc. as of December 31, 2020 and 2019 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Crime Stoppers of Houston, Inc.

Notes to Financial Statements for the years ended December 31, 2020 and 2019

---

### NOTE 1 – ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Organization – Crime Stoppers of Houston, Inc. (Crime Stoppers) is a nonprofit organization incorporated in Texas in October 1980. The purpose of Crime Stoppers is to assist Houston area law enforcement agencies in facilitating the arrest and filing of criminal charges by making rewards available to persons who furnish information that leads to the arrest and filing of charges. Crime Stoppers receives a substantial portion of its operating funds from business and individual donations. Any person providing information leading to the arrest and filing of charges is given a reward and remains anonymous. The Reward Assessment Committee determines the amount of the reward and the Board of Directors authorizes payment.

Federal income tax status – Crime Stoppers is exempt from federal income tax under §501(c)(3) of the Internal Revenue Code and is classified as a public charity under §509(a)(1) and §170(b)(1)(A)(vi).

Contributions receivable that are expected to be collected within one year are recorded at net realizable value. Contributions receivable that are expected to be collected in future years are discounted to estimate the present value of future cash flows. An allowance for uncollectible contributions receivable is provided when it is believed that contributions may not be collected in full. It is Crime Stoppers' policy to write off receivables against the allowance when management determines the receivable will not be collected. The amount of bad debt expense or loss on valuation of contributions receivable recognized each period and the resulting adequacy of the allowance at the end of each period are determined using a combination of historical loss experience and individual account-by-account analysis of receivable balances. It is possible that management's estimate regarding the collectability of the balances will change in the near term resulting in a change in the carrying value of contributions receivable.

Investments are reported at fair value. Net investment return consists of interest and dividends, realized and unrealized gains and losses, net of external and direct internal investment management and custodial expenses.

Property and equipment is recorded at cost if purchased or at fair value at the date of gift if donated. Crime Stoppers' policy is to capitalize property and equipment purchases over \$2,000. Depreciation is calculated using the straight-line method over the estimated useful lives of the assets ranging from 3 to 39 years.

Supplemental rewards escrow is an agency fund liability for specific case rewards that are in excess of Crime Stoppers' \$5,000 reward. The funds are held in escrow until the case is solved or the person or persons providing the reward requests the funds be returned.

Net asset classification – Net assets, revenue, gains, and losses are classified based on the existence or absence of donor-imposed restrictions, as follows:

- *Net assets without donor restrictions* are not subject to donor-imposed restrictions even though their use may be limited in other respects such as by contract or board designation.
- *Net assets with donor restrictions* are subject to donor-imposed restrictions. Restrictions may be temporary in nature, such as those that will be met by the passage of time or use for a purpose specified by the donor, or may be perpetual in nature, where the donor stipulates that resources be

maintained in perpetuity. Net assets are released from restrictions when the stipulated time has elapsed, or purpose has been fulfilled, or both. Contributions of long-lived assets and of assets restricted for acquisition of long-lived assets are released when those assets are placed in service unless the donor also has placed a time restriction on the use of the long-lived asset, in which case the release occurs over the term of the time restriction.

Contributions are recognized as revenue at fair value when an unconditional commitment is received from the donor. Contributions received with donor stipulations that limit their use are classified as *with donor restrictions*. Conditional contributions are subject to one or more barriers that must be overcome before Crime Stoppers is entitled to receive or retain funding. Conditional contributions are recognized as revenue at fair value when the conditions have been met. Funding received before conditions are met is reported as refundable advances.

Contributed services, materials, and use of facilities are recognized at fair value when an unconditional commitment is received from the donor. Contributions of services are recognized when services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Special events – Contributions and ticket sales represent the amounts paid by donors, sponsors, and attendees of a fundraising event. Ticket sales include elements of both contributions and exchange transactions and are recognized when an event occurs. Cost of direct donor benefits provided represents the costs of goods and services provided.

Court rewards expense is recognized when approved for payment by the Reward Assessment Committee and the Board of Directors. If the court reward is unclaimed for at least 180 days, the funds are redeposited and funds are held in a restricted cash account for one year. Unclaimed court rewards outstanding for more than one year are held by Crime Stoppers and used for payment of cash rewards for other cases.

Advertising expense – Advertising costs are expensed as incurred.

Functional allocation of expenses – Expenses are reported by their functional classification. Program services are the direct conduct or supervision of activities that fulfill the purposes for which the organization exists. Fundraising activities include the solicitation of contributions of money, securities, materials, facilities, other assets, and time. Management and general activities are not directly identifiable with specific program or fundraising activities. Expenses that are attributable to more than one activity are allocated among the activities benefitted. Salaries and related costs are allocated on the basis of estimated time and effort expended. Depreciation and amortization, occupancy costs, interest expense and insurance expense are allocated based on estimates of time of persons associated with use of goods or services.

Estimates – Management must make estimates and assumptions to prepare financial statements in accordance with generally accepted accounting principles. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, the amounts of reported revenue and expenses, and the allocation of expenses among various functions. Actual results could vary from the estimates that were used.

## NOTE 2 – LIQUIDITY AND AVAILABILITY OF RESOURCES

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use within one year of December 31 comprise the following:

	<u>2020</u>	<u>2019</u>
Financial assets:		
Cash	\$ 2,564,242	\$ 2,442,326
Interest receivable	2,563	3,141
Operating contributions receivable	144,289	127,051
Investments	1,837,209	1,807,376
Cash designated for debt service and property maintenance	719,538	719,659
Capital campaign contributions receivable designated for debt service and property maintenance, net	<u>145,251</u>	<u>259,960</u>
Total financial assets	5,413,092	5,359,513
Less financial assets not available for general expenditure:		
Restricted by donors for use in future periods or future projects	(1,215,646)	(1,424,990)
Supplemental rewards escrow	(830,079)	(865,079)
Board-designated for debt service and property maintenance	(719,538)	(719,659)
Capital campaign contributions receivable designated for debt service and property maintenance, net	(145,251)	(259,960)
Court rewards escrow	<u>(118,550)</u>	<u>(66,675)</u>
Total financial assets available for general expenditure	<u>\$ 2,384,028</u>	<u>\$ 2,023,150</u>

For purposes of analyzing resources available to meet general expenditures over a 12-month period, Crime Stoppers considers all expenditures related to its ongoing program activities, as well as the conduct of services undertaken to support these activities, to be general expenditures.

As part of Crime Stoppers' liquidity management, financial assets have been structured to be available as its general expenditures, liabilities, and other obligations become due by maintaining a significant portion of its assets in cash and investments. Although Crime Stoppers does not intend to use the board-designated cash, amounts could be made available, if necessary.

In March 2021, Crime Stoppers was approved for a second Paycheck Protection Program loan of approximately \$190,500. Management expects the loan to be forgiven as the funds are used for payment of eligible costs. Any amounts not forgiven bear interest at 1% and are due in 2023.

## NOTE 3 – CASH

Crime Stoppers is required to maintain a separate reward account for restricted contributions from the Harris County probation department. At December 31, 2020 and 2019, \$331,695 and \$276,853 included in cash and \$960,995 and \$933,635 included in investments, respectively, are restricted by statute to pay rewards to qualified informants.

Crime Stoppers also holds supplemental funds received for payment of rewards. The Board of Directors maintains supplemental rewards in separate bank accounts. At December 31, 2020 and 2019, \$425,389 and \$465,389 included in cash, respectively, are segregated by Crime Stoppers for this purpose. The remaining supplemental reward funds are held with investments.

Demand deposits exceed the federally insured limit per depositor per institution.

#### NOTE 4 – CONTRIBUTIONS RECEIVABLE

Contributions receivable are as follows:

	<u>2020</u>	<u>2019</u>
Contributions receivable	\$ 294,289	\$ 391,760
Discount to net present value at approximately 1.5%	<u>(4,749)</u>	<u>(4,749)</u>
Contributions receivable, net	<u>\$ 289,540</u>	<u>\$ 387,011</u>

Contributions receivable at December 31, 2020 are expected to be collected as follows:

2021	\$ 194,289
2022	50,000
2023	<u>50,000</u>
Total contributions receivable	<u>\$ 294,289</u>

*Concentration* – At December 31, 2020, contributions receivable from three donors comprised approximately 92% of contributions receivable. At December 31, 2019, contributions receivable from two donors comprised approximately 77% of contributions receivable.

*Conditional contributions* – At December 31, 2020, Crime Stoppers has approximately \$65,000 of conditional contributions from Texas Education Agency. The contributions will be recognized as revenue when the conditions, which include incurring allowable expenses, are met.

#### NOTE 5 – INVESTMENTS AND FAIR VALUE MEASUREMENTS

Generally accepted accounting principles require that certain assets and liabilities be reported at fair value and establish a hierarchy that prioritizes inputs used to measure fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The three levels of the fair value hierarchy are as follows:

- *Level 1* – Inputs are unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the reporting date.
- *Level 2* – Inputs are other than quoted prices included in Level 1, which are either directly observable or can be derived from or corroborated by observable market data at the reporting date.
- *Level 3* – Inputs are not observable and are based on the reporting entity’s assumptions about the inputs market participants would use in pricing the asset or liability.

Assets measured at fair value at December 31, 2020 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Investments:				
Money market mutual funds	\$ 882,746			\$ 882,746
Corporate bonds		\$ 662,523		662,523
U. S. Treasury securities	271,938			271,938
U. S. government agency securities		<u>20,002</u>		<u>20,002</u>
Total assets measured at fair value	<u>\$ 1,154,684</u>	<u>\$ 682,525</u>	<u>\$ 0</u>	<u>\$ 1,837,209</u>

Assets measured at fair value at December 31, 2019 are as follows:

	<u>LEVEL 1</u>	<u>LEVEL 2</u>	<u>LEVEL 3</u>	<u>TOTAL</u>
Investments:				
Money market mutual funds	\$ 893,690			\$ 893,690
Corporate bonds		\$ 546,267		546,267
U. S. Treasury securities	<u>367,419</u>			<u>367,419</u>
Total assets measured at fair value	<u>\$ 1,261,109</u>	<u>\$ 546,267</u>	<u>\$ 0</u>	<u>\$ 1,807,376</u>

Valuation methods used for assets measured at fair value are as follows:

- *Mutual funds* are valued at the reported net asset value.
- *Corporate bonds* and *U. S. government agency securities* are valued using prices obtained from independent quotation bureaus that use computerized valuation formulas which may include market-corroborated inputs for credit risk factors, interest rate and yield curves and broker quotes, to calculate fair values.
- *U. S. Treasury securities* are valued using prices obtained from active market maker and inter-dealer brokers on a daily basis.

These valuation methods may produce a fair value that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Crime Stoppers believes its valuation methods are appropriate, the use of different methods or assumptions could result in a different fair value measurement at the reporting date.

Investments are exposed to various risks such as interest rate, market, and credit risks. Because of these risks, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position and statement of activities.

	<u>2020</u>	<u>2019</u>
Texas Education Agency	\$ 934,769

Grants from federal, state, and local nonprofit funding sources require fulfillment of certain conditions as set forth in the grant contracts and are subject to review and audit by the awarding agencies. Such reviews and audits could result in the discovery of unallowable activities and unallowable costs. Consequently, any of the funding sources may, at their discretion, request reimbursement for expenses or return of funds as a result of non-compliance with the terms of the contracts. Management believes such disallowances, if any, would not be material to Crime Stoppers' financial position or changes in net assets.

**NOTE 14 – SUBSEQUENT EVENTS**

On March 11, 2020, the Director-General of the World Health Organization declared a pandemic related to the global outbreak of the new coronavirus COVID-19 and on March 13, 2020, a national emergency was declared in the United States. As of the date of this report, Crime Stoppers continues to support work from home for many of its employees and delivery of virtual program opportunities. While Crime Stoppers expects these events to negatively impact operating results and financial position, the financial impact cannot be reasonably estimated at this time.

Management has evaluated subsequent events through March 16, 2021, which is the date that the financial statements were available for issuance. No events other than as disclosed above and in Note 2, were identified that are required to be disclosed or would have a material impact on reported net assets or changes in net assets.
