

National Day of Remembrance

FOR MURDER VICTIMS

The annual National Day of Remembrance for Murder Victims pays tribute and honors murder victims and their surviving family members. Crime victims and survivors will gather at events across the country to commemorate this Day of Remembrance. The purpose of this event is to focus on the impact of murder on families and communities, and ways to support and serve survivors.

Family members and loved ones of murder victims, law enforcement, victim service agencies, parents of murdered children, and community members are invited to attend. Please bring a photo of your loved one.
