ABOUT CRIME STOPPERS

Through active collaboration, citizen empowerment and educational outreach, Crime Stoppers of Houston is leading the Nation with innovative crime prevention programming to keep our communities safe. Established in the early 1980's as solely a Tip Line Program, Crime Stoppers remains committed to its mission to solve and prevent serious crime in partnership with citizens, media and the criminal justice system, and now offers a robust public safety program that is reaching millions each year. In 2017, the non-profit opened the doors to the first-ever Crime Stoppers headquarters in the world. Focused on creating crime-fighting solutions, the organization recently expanded its Safe Community Program into an Institute that now includes a Victim Services & Advocacy Program, the Glenda Gordy Research Center, and The Balanced Voice podcast. Additionally, its Safe School Institute continues to provide critical school safety resources and trainings on both local and national platforms.

LETTER FROM THE CEO

Hi Friends,

First and foremost, I would like to thank all of our donors, partners, volunteers, staff and friends for your support in 2021. All of our program accomplishments and growth of our mission could never have happened without you – on behalf of all those we serve, we thank you!

As I reflect on this past year, I can't help but think of the countless families who were affected by the increase in crime in our City and County. Many families endured the pain of losing a loved one and many became innocent victims of crimes of opportunity, but one thing is for sure – none of them deserved any of it.

For the past 41 years, Crime Stoppers has worked hand-in-hand with law enforcement, public officials, members of the media, members of the criminal justice system and citizens to tackle crime, create conversations, and find solutions. While the very notion of “public safety” sadly becomes a politically charged and divisive issue, we will not be deterred from fulfilling our mission and duty to our community.

Over the last two years, we've been busier than ever. During COVID, we launched our “Social Discussions While Social Distancing” webinar series to meet the community where they were at – home. In 2021, we continued expanding this webinar series, as well as

our digital training videos, Facebook LIVE conversations, and podcast (The Balanced Voice Podcast). No matter what the season or the crime, from unsolved cases to COVID (over 100 interviews were done on COVID & crime), to discretionary bail reform, to school safety, to community education and more, we collaborated with stakeholders from all sectors and came together to bring common sense safety back to Houston and Harris County. This past year, we also met frustrated, confused and concerned communities with a new series of neighborhood meetings focused on crime trends, public safety issues, and what we can do in response.

Additionally, in the next year, we will be launching a new Research Center to provide the community with direct, clear, easy-to-pull data on crime and the criminal justice system.

2021 was also a very special year because we were finally able to see our supporters, like many of you, in person at our annual Luncheon and Gala.

Our Board is strong, independent and responsible – always cognizant of their role and their responsibility to ensure excellent governance within the organization. Our staff remains committed, 24-hours a day, every single day of the year. I am proud to be a member of the CSOH team.

But you, our donors, friends and partners, are the key to everything we do. Thank you for your support, your confidence in our work, and for being a positive contributor to the safety of all who call Houston home. We will continue to expand our efforts in unique and creative ways. We thank you for being our inspiration and our support, let's keep going.

We hope to count on you in 2022!

CRIME WATCH NEWSLETTER

Crime Stoppers has been serving Harris County for 41 years as the leading public safety organization in regards to bridging the gap between law enforcement and the community.

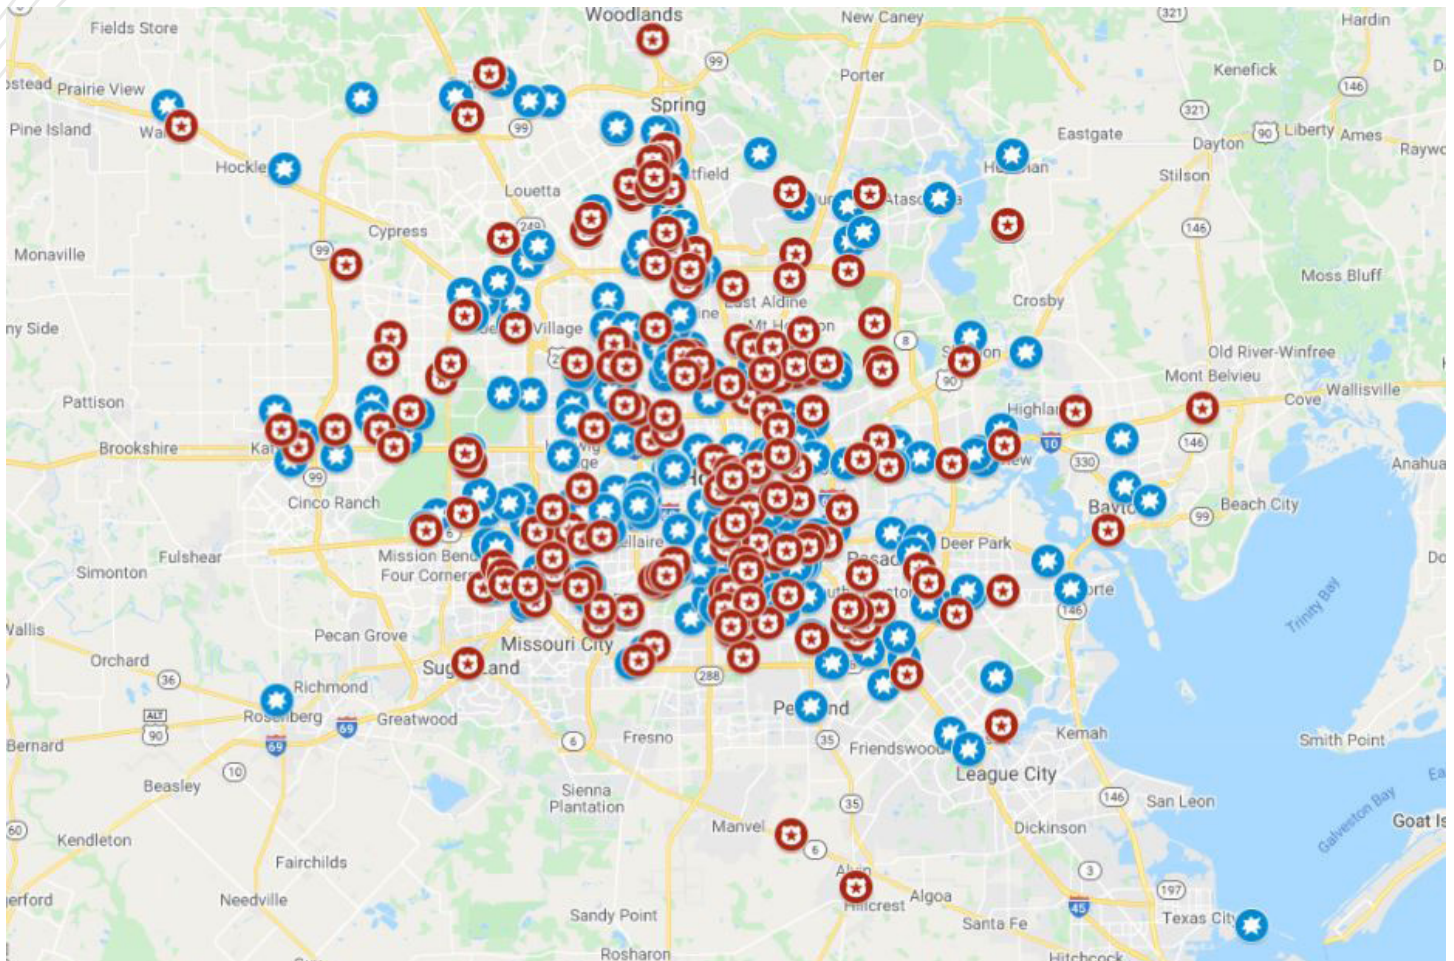

While we have many proactive programs to enhance safety in the schools and the public, our first priority is to receive and relay critical information anonymously to our law enforcement partners in order for them to solve felony crimes quickly, efficiently and safely. This is the primary reason we launched the Crime Watch Newsletter in 2021. In the newsletter we inform the community, highlight cases, discuss victim rights, school safety and other topical issues.

You can find recent issues of Crime Watch online at bit.ly/CrimeWatchNewsletter.

SENTENCES OF SUSPECTS IDENTIFIED VIA TIP LINE 2010-2021

In 2021, our Deputy Director, Nichole Christoph, sorted through **eight** years of cases solved by anonymous tipsters and categorized the outcomes of suspect sentencing. Highlights of her findings include:

- Our anonymous tipsters have helped our law enforcement partners detain and sentence **3,462 suspects**.
- Anonymous tips solving murder cases have resulted in **48 life sentences** and a combined total of **3,555 years in prison**.
- **94%** of suspects had a previous criminal history and **90%** of the cases our anonymous tips helped solve resulted in prison or jail time.

TIP LINE HIGHLIGHTED CASES

- **January 2021 - Did He Do It for the 'Gram?** - An ATM repair man was working on a broken machine when he was approached by a male suspect. The suspect demanded the victim to get on the ground and not to look at him. The suspect then removed approximately \$17,000 from the ATM before fleeing the scene. A tipster contacted the tip line to report the suspect was making large purchases on Rodeo Drive in Los Angeles shortly after the robbery. Additionally, the suspect posted pictures on Instagram flashing large amounts of cash shortly after the robbery. Police were able to charge and arrest the suspect based on the tipster's information.
- **February 2021 - Forged Check Used to "Set Em Free"** - A local attorney received a phone call from "Set Em Free" bail bonds company to authenticate a check that had been presented for \$1,850 to post bond for a man in jail. The attorney reported that he did not issue that check and did not give anyone permission to use it. The suspect reportedly stole the check to bail her significant other out of jail for a domestic violence related charge. As part of the process, the suspect had to provide her id and social security card when she presented the check. The victim quickly identified the suspect as an employee of his law firm and that she used his rubber stamp signature on the check. Based on this information, the suspect was charged with forgery but remained at large until a tipster provided her location.
- **July 2021 - Young Mother Killed While Holding Son** - On July 1, 2021, the victim was preparing for her son's first birthday and was holding when her ex began arguing with her. The suspect produced a firearm and shot the victim who was holding the toddler. Prior to fleeing the scene, the suspect also shot the one-year-old boy in the lower leg. The toddler was transported to a hospital with non-life threatening injuries. Sadly, the young mother did not survive her injuries. The suspect was out on seven felony bonds when this incident took place.
- **August 2021 - Road Rage After Astros Game** - On June 6, 2021, Paul Castro and his sons just left Minute Maid Park after watching an Astros game. While in traffic, a driver of another car got into a verbal altercation with the Castro's over letting cars into the lane of traffic and finger gestures were exchanged. The suspect then aggressively followed the Castro's onto the freeway. Mr. Castro attempted to elude the suspects then heard several gunshots and saw that the truck's back window shatter. Unfortunately, David Castro (17) was shot in the back of the head and didn't survive.

Crime Stoppers of Houston conducted a press conference with David's grief-stricken family to plead for the public's assistance. A few days after the press conference, an anonymous tipster called the tip line and provided very detailed information regarding the suspect and incident that was not released to the media. The Houston Police Department was able to obtain a search warrant after verification of the tipster's information and the suspect was arrested.
- **November 2021 - New Employee Helped Themselves to the Safe** - On August 26, 2021, a local restaurant reported to police that an employee had taken money out of the safe. The manager told police that the suspect was a new employee that had only been working there for one week. The suspect was seen on surveillance cameras entering an office on the 26th and removing cash and placing it in his pocket on the way out. On the following day, the same suspect is seen again entering the office and removing an even larger wad of cash and exiting the office. Court records show that this suspect has been convicted of multiple thefts. Charges were immediately filed but the suspect remained at large until a tipster called in with his location. It is not known if the restaurant ran a criminal background check prior to hiring this repeat offender.
- **December 2021 - Victim Caught with Pants Down** - On June 7, 2021, an elderly victim in their truck was at a stop when they were approached by a female suspect. The suspect suggested that the two drive to a local motel and the victim agreed. The victim was sitting on the bed with their pants next to them. The suspect told the victim that she needed to use the restroom and walked towards the bathroom but quickly redirected. She grabbed the victim's pants, vehicle keys, and wallet as she ran to their vehicle. She got in and started the engine. Attempting to stop the suspect from stealing their truck, the victim ran out and grabbed the steering wheel. Their hand slipped off the steering wheel and they fell to the ground. The victim had to quickly move out of the way to avoid being hit by the suspect as she fled. A tipster provided information that resulted in the identification and arrest of the suspect.

2021 SIGNIFICANT SCHOOL CASES

JANUARY 2021

A Houston Area High school had a situation in the fall semester surrounding explicit content and relational safety. After this situation occurred, the counselor reached out to the Safe School Institute and had us present to their 9th-12th grade students on Teen Dating Violence to bring awareness around the topic but also laws, consequences and long term affects.

.....

APRIL 2021

A Fort Bend area Middle School had us out to present on Cyber Safety. In between presentations, the education specialist was approached and told that after they had finished with the 6th grade and 7th grade presentation, there had been 4 disclosures about bullying and theft of student items on campus that they were able to solve and return the items back to the owner.

.....

OCTOBER 2021

A Houston area Elementary School had us out to present on Bullying Prevention. The counselor then followed up with the education specialist who presented and made them aware of a bullying and harassment situation regarding a group of students in one of the grades. She reached out to make sure that she was following the proper protocol of reporting the bullying / harassment situation. This then lead the Safe School Institute to create Educator Flow charts to assists educators and professional safe in the school system when handling certain situations and what potential next steps are.

The third quarter training was held July 2021 and had 42 attendees. The fourth quarter training was held November 2021 and had 49 attendees.

BACKGROUND

On May 30, 2018, Governor Greg Abbott unveiled his multifaceted “School and Firearm Safety Action Plan” in response to the Santa Fe High School shooting that occurred on May 18, 2018. His Action Plan includes expanding campus Crime Stoppers programs statewide. As the largest Crime Stoppers organization in the country, the Texas Criminal Justice Division asked Crime Stoppers of Houston to roll out our Safe School Program to as many Crime Stoppers organizations across the state – reaching approximately 1,800 school districts.

In response, we are committed to sharing our program, training stakeholders, developing curriculum, and engaging the community so that every Crime Stoppers organization operating within the State of Texas can offer their local schools and their entire community the same life-saving tools and resources we have here.

We've **reached 201 Crime Stoppers groups/affiliates within Texas**, 31 Crime Stoppers groups/affiliates from around the USA and internationally, and will continue to host quarterly trainings moving forward.

SAFE COMMUNITY PROGRAM*

The **Safe Community Program** has focused heavily on the rise in violent crime in Houston by hosting informational meetings about the ramifications of felony bond reform and the role of elected officials in Harris County. We have created a series of animation videos and a new civics presentation to explain what each official in our city and county is responsible for. **The Balanced Voice Podcast** completed seasons 2 and 3 in 2021, which included guest such as Matthew McConaughey, Tamron Hall, Dominique Sachse, Dr. Laura Berman, and many more.

The **Victim Services & Advocacy Program** appeared at the national CrimeCon Convention in Austin and was a featured speaker as well as a podcast guest on the Nancy Grace podcast. Andy Kahan, the director of the Victim Services & Advocacy Program, works with Randy Wallace on his FOX show, *Breaking Bond*, discussing the ramifications of felony bond reform and the toll it has taken on the citizens of Harris County. In addition, Parents of Murdered Children and Surviving Family Members of Homicide have resumed in-person at Crime Stoppers on the second Tuesday of every month.

**As of January 2022, the Safe Community Program has changed its name to the Safe Community Institute, encompassing the Safe Community Program, Victim Services program, The Balanced Voice Podcast and the Glenda Gordy Research Center, which launched in February 2022.*

VICTIM SERVICES & ADVOCACY PROGRAM

The **Victim Services and Advocacy Program** promotes safety, healing, justice and rights for crime victims and survivors. It is designed to act as an advocate on all stages of victimization and ensure crime victims and survivors have a voice in our criminal justice system.

The Victim Services and Advocacy Program provides the following to crime victims and survivors:

- Advocate for crime victims through all stages of victimization.
- Assist crime victims and survivors in efforts to rebuild their lives.
- Assist in collaboration between law enforcement agencies, prosecutors, probation and parole departments, juvenile justice systems and social services.
- Accompany crime victims and survivors to Court and Parole Board hearings.
- Guide crime victims and survivors through media inquiries and speaking engagements.
- Refer crime victims and survivor to local, state-wide, and national victim assistance organizations.
- Work toward legislative improvements to enhance victims' rights and public safety.

ADVOCACY IN ACTION

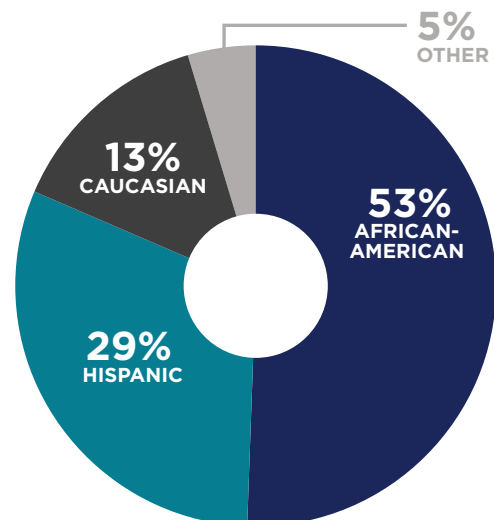

In 2019, we noticed a trend in which many of the defendants charged with murder were released on multiple felony bonds, personal recognizance (PR) bonds, motion to revoke bond denied and bond forfeiture. Since then, we compiled a list of victims killed/murdered by defendants released on the above from 2018 through 2021 to include:

- **156** people total
- **119** homicides since 2020
- **17** victims of domestic violence including
- **3** unborn children amongst the victims

Visit bit.ly/CSOHBailReform to learn about the current status of our research and legislative efforts.

2021 LUNCHEON

Crime Stoppers has an annual luncheon event each spring, The Houston's Heroes Awards Luncheon, celebrating and honoring outstanding individuals and organizations who have given exemplary service to make Houston a safer place to live, work, learn and play. On Tuesday May 4, 2021, Crime Stoppers celebrated 40 years of service at its annual Houston's Heroes Awards Luncheon. Due to the public health threat from COVID-19 and the health and safety protocols set at that time, the event took place both in-person at the Royal Sonesta Houston Hotel, as well as online for sponsors and supports to participate from the safety of their homes.

With tremendous gratitude, Crime Stoppers of Houston was thrilled to honor the following Houston Heroes honorees who have each proven to be positive contributors to our community through their long-standing support of crime prevention and public safety initiatives that make Houston, and Texas, safer for all:

- The Johnny Klevenhagen Award – Commander James Dale, Houston Police Department Vice Division
- The Fenner Weller – State Representative Jim Murphy
- The Leiv Platou Award – Hazem Ahmed, Crime Stoppers Board Member
- The Corporate Citizen Award – H-E-B
- The Safe School Award – Jerri Duddleston Moore
- The Women Who Shape Houston Award – Brigitte Kalai
- The Partner of the Year Award – Lawrence and Linda Levy
- The Dave Ward Media Excellence Award – Dave Strickland

Crime Stoppers proudly announced Aramco Amercias as the Presenting Partner of the event. "Houston is a safe city thanks to the dedication of so many organizations and people working together for its benefit," said Nabeel AlAfaleg, President & CEO of Aramco Americas. "We are a longtime supporter of Crime Stoppers of Houston and appreciate its continued dedication to a city we have called home for nearly 50 years."

For 40 years, Crime Stoppers of Houston has focused on solving crime through the famed Tip Line, 713-222-TIPS and reducing overall criminal activity by preventing it through educational community programming. The non-profit which fundraises year-round will directly benefit from the luncheon's proceeds to help further advance the Crime Stoppers' mission.

2021 GALA

Crime Stoppers of Houston's Leading the Way to a Safer Houston Annual Gala, held on November 7, 2021 at the Hilton Americas Houston, **raised a record-setting \$1,057,000** for crime-prevention programs, including a new Safe Community Research Center that launched in January 2022, as well as critically-needed victim services support. This historic event brought together more than 500 generous supporters, courageous victims of crime, devoted community advocates, elected officials and law enforcement from across Texas for a moving evening that honored the innocent lives lost to senseless violence in our City and County.

The gathering was chaired by Amy & Neil Leibman, Genny & John McIntyre, and Sheridan & John Eddie Williams who have a longstanding commitment to the mission of Crime Stoppers and deeply care about the safety of all who call Houston home.

The program included:

- Personal stories from the Gala chairs Amy, Genny and Sheridan
- The honoring of Media Icon and ABC13 Anchor Emeritus Dave Ward for his 40 years of outstanding service to Crime Stoppers and the community
- Crime Stoppers CEO Rania Mankarious addressing the ramifications of felony bond reform and a call for the community to come together to find solutions
- A conversation with surviving family members, Paul Castro, Theresa Seck, and Chuck Cook who joined to courageously share their stories:
 - » Paul Castro, the father of David Castro, the 17-year-old who was tragically shot and killed in a road rage incident after leaving an Astros game
 - » Theresa Seck, brother of Patrick Aikens, who was randomly targeted, assaulted, robbed and shot to death simply walking outside his galleria area apartment
 - » Chuck Cook, son of 80-year-old Rosalie Cook, who was murdered by a career habitual offender while leaving Walgreens, in the middle of the day, in the Meyerland area
- "Paddles up" with John Eddie Williams, Neil Leibman and John McIntyre, raising record-setting funds for the organization

The Gala was supported by many individuals, community partners and generous underwriters, including Legacy Leader sponsors Hallie Vanderhider, the Hildebrand Fund, Jim & Carole Walter Looke, and Sheridan & John Eddie Williams; Safety Trailblazer sponsors Brigitte & Bashar Kalai, Cherie & Jim Flores, Holthouse Foundation for Kids, and Lisa & Michael Holthouse; Community Front-Runners sponsors KIAH CW 39 Houston, Suzette Way and Holly & John Brennan, and many others.

WAYS TO GET INVOLVED

INDIVIDUAL DONATION

Make a tax-deductible gift to support crime-solving and crime-prevention programs that keep Houstonians safe, educated and empowered.

CORPORATE SPONSORSHIP

Your company can take a public stand against crime by **becoming a corporate partner**. Opportunities include tax deductible gifts, in-kind donations, event sponsorships and more.

ANNUAL EVENTS

Join us at one of our annual fundraisers! Our **Houston's Heroes Awards Luncheon** takes place in the spring and celebrates individuals and organizations who have gone above and beyond to keep our community safe. **Leading the Way to a Safer Houston Gala**, our largest event of the year, takes place in the fall and celebrates our history as we look forward to the future.

YOUNG PROFESSIONALS GROUP

Help raise awareness about our crime prevention efforts among your professional colleagues. Members have access to networking and social events, leadership development and the opportunity to personally invest in the largest Crime Stoppers organization in the world. Visit crime-stoppers.org/ypg.

ATTEND COMMUNITY EVENTS

Events are a unique and personal way for the community to interact with Crime Stoppers of Houston and learn what we do. We hope you will continue to attend our events and invite your own community to do so as well. Visit crime-stoppers.org/events.

HOST YOUR OWN EVENT

Introduce your community to all that Crime Stoppers of Houston has to offer. Our staff is prepared to walk you through the event-planning process. All you have to do is have a vision, invite friends, and underwrite the event. Event ideas include luncheons, cocktail parties, birthday fundraisers, or partnering with a local business or boutique. Email Paige Hollek at phollek@crime-stoppers.org for details.

CONNECT US WITH UNREACHED SCHOOLS

Our team keeps schools safe by creating a proactive dialogue with students, parents, school staff, and law enforcement about personal and school safety and by providing students with a safe and anonymous way to report crime and potential dangers on campus. Help us schedule a school presentation in your child's or neighborhood school. Email ssi@crime-stoppers.org for details.

VOLUNTEER

We are always looking for volunteers! We can use your help in the following areas: assembling child ID kits, presenting our mental health curriculum to elementary students, helping at our gala or luncheon and other special projects. Email Ernesto Reyes at ereyes@crime-stoppers.org for details.
