

# STATEWIDE TRAINING CONTENT | DAY 2

## **#1 - CYBER SAFETY AND HUMAN TRAFFICKING AWARENESS**

*Offered by Crime Stoppers of Houston's Safe School Institute Director*

There is an inseparable link between Human Trafficking and the Internet. This presentation will highlight the nexus between pornography, trafficking, and grooming techniques used by predators. Gain an understanding through examples of direct messages used to lure students away from their homes, and most importantly how to have the uneasy but necessary conversations with your student.

## **#2 - CYBER SAFETY - TEENS**

*Offered by Crime Stoppers of Houston's Education Specialist*

In this presentation, teens will learn how to stay safe online, effectively combat and address cyberbullying, create a positive online community, and a positive online reputation. More specifically, how to respond appropriately when exposed to inappropriate content, identifying dangerous requests and language, understanding privacy, and the value of words and actions online.

## **#3 - be nice.® (MENTAL HEALTH AWARENESS)**

*Offered by Crime Stoppers of Houston's Safe School Institute Director*

In this presentation, Middle and High School students learn how to recognize signs and symptoms of depression and anxiety while destigmatizing mental illness. Through a four-part action plan, students are taught to notice those around them, invite change, challenge themselves and others to be kind and be empowered to take action.

## **#4 - BULLYING PREVENTION - TEENS**

*Offered by Crime Stoppers of Houston's Programs Manager*

Bullying is unwanted, aggressive behavior that exploits an imbalance of power. This presentation covers the difference between bullying and cyberbullying, the profile of a bully, and ramifications of bullying behavior for the target, bully, and bystander. The best practices for stopping bullying, legal consequences, and the importance of being an upstander is discussed. Statistics and videos are used throughout the presentation to reinforce this critical message.

## **#5 - TEEN DATING SAFETY/VIOLENCE AND SEXUAL MISCONDUCT**

*Offered by Crime Stoppers of Houston's Education Specialist*

This presentation clarifies what teen dating violence is and explains the different forms of victimization within dating relationships. Students will learn what healthy versus unhealthy relationships look like and how to stop red flags before abuse occurs. A detailed definition of sexual misconduct and assault is provided as well as definitions and examples of consent. Lastly, laws and policies are explained to help students understand their rights and how to hold themselves accountable.
