ABOUT CRIME STOPPERS

Through active collaboration, citizen empowerment and educational outreach, Crime Stoppers of Houston is leading the Nation with innovative crime prevention programming to keep our communities safe. Established in the early 1980's as solely a Tip Line Program, Crime Stoppers remains committed to its mission to solve and prevent serious crime in partnership with citizens, media and the criminal justice system, and now offers a robust public safety program that is reaching millions each year. In 2017, the non-profit opened the doors to the first-ever Crime Stoppers headquarters in the world. Focused on finding crime-fighting solutions, the organization's Safe Community Institute now includes a Victim Services & Advocacy Program, the Glenda Gordy Research Center and The Balanced Voice Podcast. Additionally, its Safe School Institute continues to expand to provide critical school safety resources and trainings across the State of Texas.

LETTER FROM THE CEO

Hi Friends,

What another wonderful year filled with many accomplishments! Thank you all for your continued and steadfast support of Crime Stoppers of Houston!

- Our team continues to work and serve this growing community with compassion, experience, and a goal of being as creative as possible as we strive towards solutions. As we listen and grow, we continue to expand all programming and we couldn't be prouder! Here are a few of things we have accomplished this past year:
- Our Tip Line, which accepts anonymous tips in over 22 languages, received the Productivity Award for Most Cases Cleared (2021).
- Our Safe School Institute continues to grow and serve the entire state of Texas with a team now hitting the major cities in the state. Between January and December 2022, the Safe School team reached 82,571 students, 7,313 educators/school law enforcement, and in conjunction with SCI 10,804 parents over 857 presentations. In addition, the Institute worked with a myriad of other organizations and put out cutting edge information on vaping, fentanyl, mental health and more. The Institute also created educator lesson plans, hosted our first "Counselor Lunch and Learn" and launched our first-ever Safe School Student Ambassador initiative. As the needs of the school community grow, so does the work of SSI and we thank you all!
- Our Safe Community Institute (SCI) also continued to thrive! This Institute which houses the Safe Community Program, the Victim Services and Advocacy Program, the Balanced Voice Podcast and the Glenda Gordy Research Center has done so much. The SCI team reached 151,846 community members through prevention education and potentially reached 285,781 community members through community outreach events. The team also created new College Safety Planners. The Victim Services and Advocacy Program directly served 1,664 victims and launched our first Victim Impact Statement Videos to the Texas Board of Parole. The Glenda Gordy Research Center now provides data on six felony level crime categories and is poised to expand in 2023. In addition, the Balanced Voice Podcast welcomed a co-host and released 17 episodes covering the most pressing, time sensitive issues of the day. We do all this, again, thanks to you!

For over 42-years, Crime Stoppers has stayed true to its mission, never failing to show up and stand up for the public safety needs of the community. As the needs have grown, we have been thankful for larger-than-life individuals who have joined us in larger-than-life ways to offer us larger-than-life support. We stand together and work together and are thankful for the opportunity to do so!

Looking forward to sharing more throughout the year and thank you all again for your support!

With sincerest regards,

THINGS YOU SHOULD KNOW

Crime Stoppers may pay a cash reward of up to \$5,000 on all felony crimes that happen in the Greater Houston/Harris County area. Here are things you should know about our Tip Line:

- To be eligible for a cash reward, you must report your tip directly to Crime Stoppers of Houston.
- Crime Stoppers will never ask you for your name, phone number, address, or any other information that could identify you. We do not record phone calls or have caller ID. No one will know you called us unless you tell them.
- Once you give us your tip, you will be given a code number. This is the only way Crime Stoppers can identify you. Crime Stoppers cannot call you with the status because we don't ask for your phone number. You need to remember this number and provide it when you call back to check the status of your tip.
- When you call back with your code number we will let you know if your tip helped law enforcement arrest or charge a felony suspect/fugitive. If it did, you may be eligible for a cash reward and will give you instructions on how to retrieve your cash reward. You will not be asked to show any ID.

MEDIA PARTNERSHIPS

VICTIM SERVICES AND ADVOCACY PROGRAM

The Victim Services and Advocacy Program promotes safety, healing, justice and rights for crime victims and survivors. It is designed to act as an advocate on all stages of victimization and ensure crime victims and survivors have a voice in our criminal justice system.

In 2019, we noticed a trend in which many of the defendants charged with murder were released on multiple felony bonds, personal recognizance (PR) bonds, motion to revoke bond denied and bond forfeiture.

Since then, we have compiled a list of victims killed / murdered by defendants released on the above from **2018 through 2022** to include **183** people total. Since 2020, **146** were murdered and included **17** victims of domestic violence and **3** unborn children.

Visit bit.ly/CSOHBailReform to learn about the current status of our research and legislative efforts.

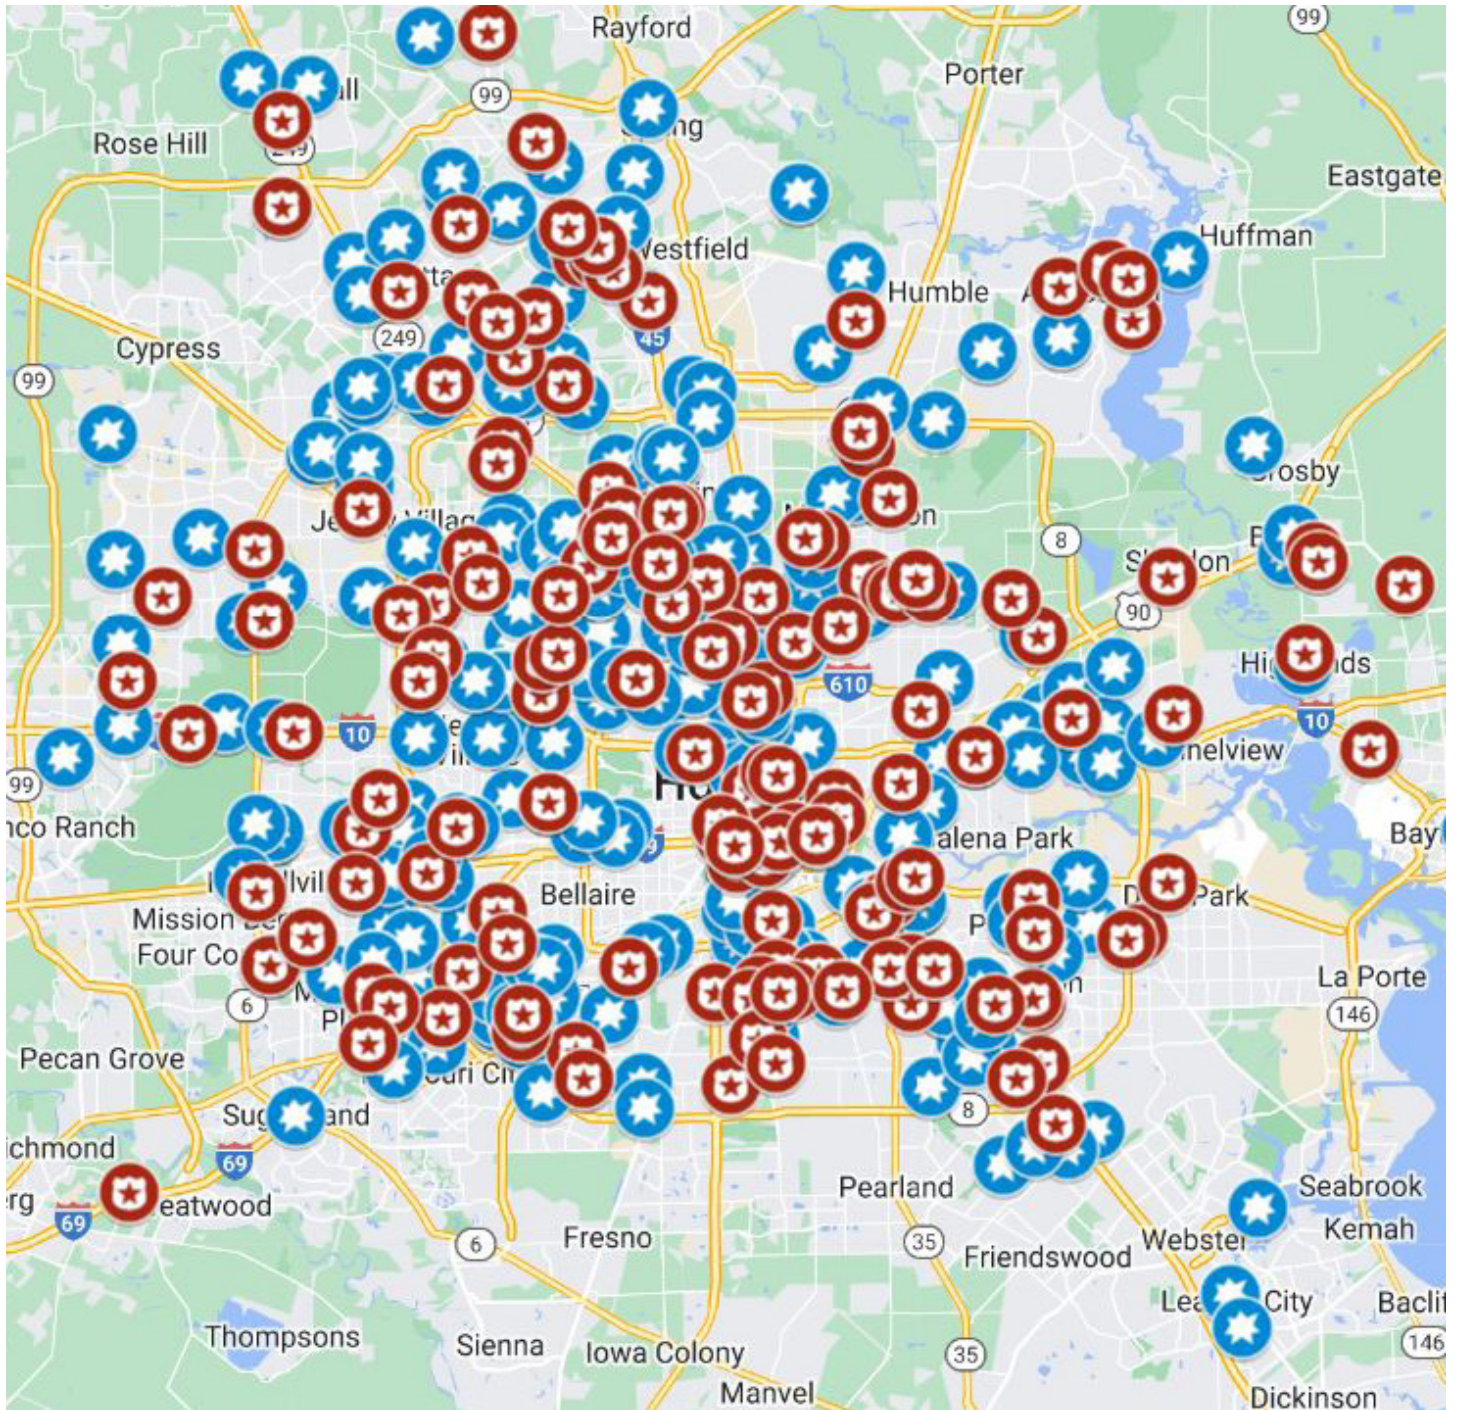

MISSING PERSONS

Crime Stoppers offers cash rewards in missing persons cases when an investigator has determined that foul play is involved and/or in cases where a minor (16 or younger) has run away with a person that is 18 or older. A common example of the latter is a minor being lured away from a parent or legal guardian for sex trafficking.

TIP LINE 2022 CASES SOLVED

In 2022, the Tip Line Program received **10,878 tips**. These anonymous tipsters helped solve **401 cases** and get **212 arrests**.

TIP LINE HIGHLIGHTED CASES

- **March 2022 - Hit & Run Suspect Caught** - In the early morning of January 7, 2022, a driver of a pickup truck was traveling at a high speed when they hit a pedestrian that was walking down the street. The driver fled the scene without rendering aid to the victim. A passerby noticed the victim lying face down on the road and called for help. The victim suffered very serious injuries and a heart attack as a result. Images of the suspect captured at a store shortly before the incident were distributed to the media. A tipster utilized the mobile app to provide information that aided police in charging and arresting the suspect.
- **May 2022 - Wanted Human Trafficker Caught After Six Months on the Run** - On December 9, 2021, Crime Stoppers held a press conference asking for help in locating a Human Trafficking fugitive that fled the area during his trial. The suspect attended the first three days of his trial but skipped out before learning that he had been found guilty and sentenced to 40 years for trafficking a sixteen-year-old victim. The fugitive remained on the run for six months before a tip was received that provided the location of his hideout.
- **June 2022 - Nearly \$1 Million in Stolen Testing Equipment Recovered** - In October 2021, a suspect broke into a business that sells extremely specialized testing equipment. The suspect made two trips to the business removing the testing equipment that was valued at \$950,000. Sometime later, the company received a phone call from an out of state business that advised they had attempted to purchase the equipment in an online purchase. Prior to paying for the equipment, they realized the equipment had been stolen. Charges were filed on the suspect, but he remained at large until a tipster provided his location using the Crime Stoppers mobile app.
- **September 2022 - Final Suspect Caught in Martha Medina Case** - In September 2021, a 71-year-old grandmother was tragically killed during a jugging incident. The victim, Martha Medina, was followed from a local bank to a McDonalds restaurant where she went to get breakfast. As she exited her car two suspects approached and grabbed Ms. Medina's purse off her shoulder. The suspects then got back into their vehicle and reversed it over Ms. Medina and proceeded to drag her a short distance. Unfortunately, Ms. Medina did not survive her injuries. Two of the suspects were charged and arrested but the final suspect eluded police until a tip provided his name and location.

The driver of the vehicle was out on two bonds when this incident occurred. The first was for a 2019 Capital Murder and the second was for an Aggravated Robbery the same year.

Parolee Arrested for Robbing the Same Locations Six Years Later - Thanks to a very active and detailed tipster an Aggravated Robbery suspect is behind bars. Between February and September (2022), the suspect committed six different aggravated robberies. He would use various weapons to threaten store employees as he demanded cash. Police learned that the suspect had been paroled from prison just one month prior to these cases. He had been sentenced to 16 years for a string of 2016 Aggravated Robberies. Coincidentally, two of the locations he robbed in 2016 are the same location he robbed in this string of cases. Once he was arrested, the suspect confessed to the robberies and apologized for his behavior.

- **December 2022 - Killer of 82-Year-Old Caught** - In October of 2022, a concerned woman went to check on her 82-year-old brother after receiving a strange call from his number. When she arrived, she found the apartment located in a senior living facility had been broken into and her brother on the ground covered in blood. A plea went out to the community for information that included pictures from the facilities security cameras. Two months later a tipster contacted the tip line providing the name and location of the suspect featured in the news. Based on that information, the suspect was charged and arrested. He subsequently confessed to the Capital Murder.

2022 SCHOOL SUCCESS STORIES

JANUARY 2022

The Safe School Institute received numerous requests from school counselors across the Houston area for resources specific to preventing student vaping. To address this growing trend, the team created a vaping specific student presentation, post-presentation assessments, and held virtual webinars (SAVE Webinars) designed for school educators, admin, school staff, and other Crime Stoppers organization across the state to best empower schools across Texas.

.....

JANUARY 2022

A Harris County Charter School had an incident with their 11th grade students and reached out to the Safe School Institute to request the Teen Dating and Sexual Misconduct presentation. We spoke to their 11th graders about the legal ramifications of teen dating violence and sexual misconduct. Additionally, we talked about red flags, consequences and how to advocate for oneself and others. As a preventative measure, we also spoke to lower grades that day as well, as a form of prevention on this topic.

.....

APRIL 2022

A Fort Bend area Middle School invited us to talk to 6th, 7th, and 8th grade students about cyber safety. During a discussion about the Tip Line, the campus Safety Resource Officer reiterated the use and importance of the Tip Line. Shortly after that presentation, the principal told our team that several 6th graders reported information they had about incidents that had occurred recently. Administration was able to recover stolen goods and intervene in a bullying situation.

.....

NOVEMBER 2022

A Montgomery County Middle School invited Crime Stoppers out to talk about Cyber Safety with their 6th and 7th graders. After one of the presentations, a group of students came up to the presenter and shared their concerns about a new app they had been using called "GAS". The students shared that the app was asked for personal information like full name, school, and grade. Our presentation raised concerns about the app among the students, so they asked our team for advice on what to do. The presenter was able to help them figure out the safe thing to do, as well as provide school staff with some information to help support the students.

STATEWIDE EXPANSION

BACKGROUND

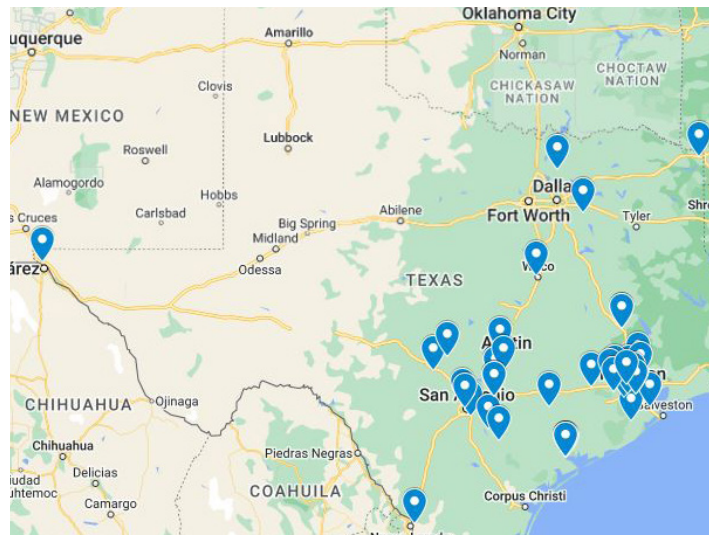

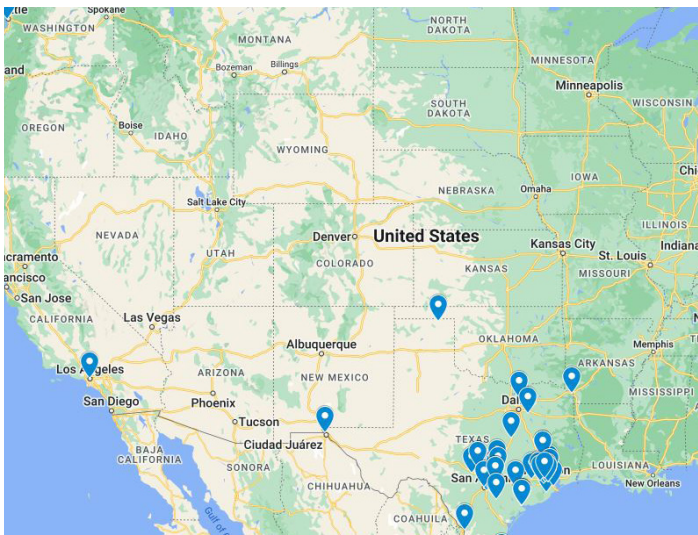

On May 30, 2018, Governor Greg Abbott unveiled his multifaceted “School and Firearm Safety Action Plan” in response to the Santa Fe High School shooting that occurred on May 18, 2018. His Action Plan includes expanding campus Crime Stoppers programs statewide. As the largest Crime Stoppers organization in the country, the Texas Criminal Justice Division asked Crime Stoppers of Houston to roll out our Safe School Program to as many Crime Stoppers organizations across the state – reaching approximately 1,800 school districts.

In response, we are committed to sharing our program, training stakeholders, developing curriculum, and engaging the community so that every Crime Stoppers organization operating within the State of Texas can offer their local schools and their entire community the same life-saving tools and resources we have here.

To date, we have hosted **18 statewide trainings**. In 2018, we held our first quarterly training at our headquarters, followed by 6 more in-person quarterly trainings through February 2020. However, with the onset of COVID 19, we moved our trainings to a virtual platform for the remainder of 2020 through present. We’ve **reached 248 Crime Stoppers groups/affiliates within Texas**, 31 Crime Stoppers groups/affiliates from around the USA and internationally, and will continue to host quarterly trainings moving forward.

STATEWIDE TRAININGS | TESTIMONIALS

Thank you for inviting me to the training! I live in Tucson, Arizona and we are two hours behind Houston, so your 8:30 am start is 6:30 am for me. I was so excited to join your first presentation on Monday morning that I started my day much earlier than usual. I was really glad I did... definitely worth it. Thank you!

LINDA MCCOLLUM
88-CRIME Program Director
Pima County (AZ)

Overall the training was great. The spreadsheets that Nichole shared are amazing! The Lt. did an amazing job of explaining the relationships between agencies and organizations. It was also very evident that all the presenters love their jobs and that is exciting to see. I can not wait to get the program started in our district.

Again that you so much for providing this virtual training. I thoroughly enjoyed it. Very informative, I'm ready to get our program started!

THE GLENDA GORDY RESEARCH CENTER is housed within the Safe Community Institute at Crime Stoppers of Houston. For many years, Houstonians have expressed a need for an easily accessible, and user-friendly place for crime statistical data in the Greater Houston Area. In our quest to be a solution focused organization, we launched The Glenda Gordy Research Center with the purpose of cohesively reporting on crime statistics so that the public has a transparent view of the criminal justice system in Harris County.

The Center not only provides easily digestible crime statistics, but also incorporates an educational center where people can learn about common terms used within our justice system, the roles and responsibilities of local leaders, and more. Our hope for the Research Center is that it will be an all-new kind of resource for community members of all kinds.

WHAT YOU WILL FIND

We have chosen to focus our efforts on felony level offenses that we have fit into 6 categories: Homicide, Aggravated Robbery, Aggravated Sexual Assault, Aggravated Assault, Felon in Possession of a Weapon, and Human Trafficking. Each of these categories includes many different offenses which you can learn more about via our “terminology” section.

2022 HIGHLIGHTS

2022 YEAR IN REVIEW:

The Safe Community Program had a huge year of growth in 2022. In January, we officially turned the “program” into a full-fledged Safe Community Institute that houses 4 of our community-programs: Safe Community Program, Victim Services Program, The Balanced Voice Podcast with Rania Mankarious, and The Glenda Gordy Research Center.

PROGRAM HIGHLIGHTS

Safe Community Program:

- The Safe Community Program reached 151,846 community members through prevention education and potentially reached 285,781 community members through community outreach events.
- We created our first ever College Safety Planner that provides college students with vital safety tips, resources, and reporting tools most applicable to their stage of life.
- We expanded our volunteer program significantly to be able to better serve all communities across the Greater Houston Area.

Victim Services & Advocacy:

- A primary objective of the Victim Services Program in 2022 was to track and report on the number of victims who lost their lives to repeat violent felony defendants and has now compiled a list of 183+ such victims.
- We directly served 1,664 victims in 2022 with crisis services, legal advocacy, parole board hearings, support group meetings and events.
- Additionally, we had the opportunity to submit our first Victim Impact Statement Videos to the Texas Board of Parole to be used in actual parole hearings this year.
- Finally, our team presented 3 times at the National Association of Victim Assistance annual conference in Denver.

The Balanced Voice Podcast:

- The Balanced Voice Podcast with Rania Mankarious released 17 incredible podcast episodes on topics including the Fentanyl Crisis in America, School Safety, Mental Health, Human Trafficking, Domestic Violence, Online Scams, and much more.
- In Season 5 of the podcast, which took part in the latter half of the year, we were happy to welcome Crime Stoppers Board Member Jennifer Hohman as our co-host for the season. Jenn has brought added expertise and dynamic energy to the podcast.

The Glenda Gordy Research Center:

- In September of 2022, we launched the all-new Glenda Gordy Research Center as a much-needed arm of the Safe Community Institute.
- We focused on providing robust data on 6 felony level crime categories: Aggravated Assault, Aggravated Robbery, Aggravated Sexual Assault, Homicide, Human Trafficking, and Felon in Possession of a Weapon.
- Additionally, we added in crime statistical data from 57 Texas Universities and created an interactive College Safety Resource Guide in hopes of educating and equipping college students to mitigate victimization on their campus.

2022 LUNCHEON

Every Spring, Crime Stoppers of Houston its annual Houston's Heroes Awards Luncheon to celebrate and honor outstanding individuals and organizations who have given exemplary service to make Houston a safer place to live, work, learn and play. On Thursday, April 14, 2022, more than 290 Houstonians joined Crime Stoppers at the Royal Sonesta Hotel for this celebration that also offered concerned citizens a unique way to help combat the alarming rise in crime in Houston. Whether through their time, talents or treasures, guests supported Crime Stoppers in #StandingforPublicSafety and by the end of the afternoon, more than \$210,000 had been raised to directly fund critical public safety and crime prevention initiatives working to make our communities safer.

The following 2022 Heroes were presented with distinguished awards for being positive contributors to the community through their long-standing support of crime prevention and public safety initiatives that make Houston, and Texas, safer for all:

- The Johnny Klevenhagen Award - FOX26, Breaking Bond Series
- The Fenner Weller Award - Joe Madison, Demand Disruption
- The Leiv Platou Award - Amy Leibman, Genny McIntyre and Sheridan Williams
- The Corporate Citizen Award - The Hamill Foundation
- The Safe School Award - Pam Wells, Ed.D., Executive Director, Region 4 Education Service Center
- The Women Who Shape Houston Award - Hallie Vanderhider
- Partner of the Year Award - District Attorney Kim Ogg, Harris County District Attorney's Office:
- The Dave Ward Excellence in Media Award - Shara Fryer, KTRH Morning News Anchor

Led by Dana Tyson, host of Sunny 99.1 Morning Show, the lively afternoon festivities included opening remarks from Crime Stoppers CEO Rania Mankarious who proudly announced Aramco as the longstanding Presenting Partner of the event. Throughout the inspiring presentation of awards, Tyson engaged the crowd with stories of reflection and offered words of encouragement to the room filled with crime fighters. The luncheon concluded with Houston Media Icon Dave Ward (who turns 83 in a few weeks) personally presenting the 2022 Dave Ward Excellence in Media Award to his good friend and media legend Shara Fryer. This special moment of two media icons reuniting on stage, reminiscing on anchor stories and more, was the perfect "feel-good" way to end the afternoon.

While the focus of the afternoon was to honor incredible heroes, Crime Stoppers was able to raise additional funds to continue their critically important crime-solving work through the famed 713-222-TIPS Tip Line and expand their free crime prevention and safety education, which is provided through their Safe Community Institute and Safe School Institute.

2022 GALA

Crime Stoppers of Houston's 'Leading the Way to a Safer Houston' Annual Gala, held on November 13, 2022 on the field at Minute Maid Park, raised a **record-setting over \$1,355,000** for crime prevention programs and critically-needed victim services. This memorable event brought together 500 generous supporters, courageous victims of crime, devoted community advocates, elected officials and law enforcement from across Texas for a moving evening that honored Houston leaders, remembered innocent lives lost to senseless violence, and called for communities to come together and unite with Crime Stoppers in making Houston a safer place for all.

The event was chaired by Sheridan and John Eddie Williams who have a longstanding commitment to the mission of Crime Stoppers and deeply care about the safety of all who call Houston home.

Event Highlights:

- On the field at Minute Maid Park, the Home of World Champions, guests were met with many surprises – a thrilling World Series Championship video, a chance to take a photo with the World Series Trophy, a fun **#UnitedforPublicSafety** photo station and much more.
- The program kicked off with a compelling welcome message from Houston Media Icon and longtime Crime Stoppers supporter **Dave Ward**.
- A group of Crime Stoppers' children, whose mothers work at the organization, took to the stage to introduce mistress of ceremonies AT&T SportsNet and Astros sideline reporter **Julia Morales**.
- Remarks from supporters **Jim and Whitney Crane** who welcomed the crowd and shared their commitment for Crime Stoppers and the need for all of us to make the safety of Houston a priority.
- Gala co-chair **Sheridan Williams** delivered a heart-felt and important message about the need for the community to come together and was joined by **Houston Police Department Chief Troy Finner** to honor three police officers recently involved in a shoot-out.
- Honoring of Professional Baseball **Hall of Famer Jeff Bagwell, United States Congresswoman Sheila Jackson Lee and Jim McIngvale, Mattress Mack**. The honorees have a history of supporting Houston and Crime Stoppers but this year, have all risen to do so much more. All three mentioned the need for the community to come together to address crime and Jim McIngvale closed the comments with a call to do "what's right" and made a historic and emotional gift of \$300,000 to the organization.
- Crime Stoppers CEO **Rania Mankarious** offered a powerful delivery that touched on overcoming adversity and the work of Crime Stoppers, followed by remarks from Crime Stoppers Chairman of the Board **Justin Vickrey**.
- A conversation with surviving family members, Aimee Castillo and Glinda Martin, Lourdes Medina and Bob Nuelle who joined to courageously share their stories:**
 - Aimee Castillo* and Glinda Martin, Aimee is the sister and Glinda is the mother of Joshua Sandoval who was murdered during a home-invasion robbery.
- Lourdes Medina*, daughter of Martha Medina. Martha was a beloved wife, mother and grandmother who was tragically killed during an attempted robbery while getting breakfast for her family
- Bob Nuelle*, father of Elizabeth Barraza, who was murdered in her own driveway while setting up for a garage sale.
- The evening closed with an exciting "Last Paddle Standing" led by gala co-chair **John Eddie Williams**, who was joined on stage by Jim and Whitney Crane, Hall of Famer Jeff Bagwell, Houston Police Chief Troy Finner, and Houston Astros Executive Director Paula Harris. Zadok Jewelers made a generous donation of two gift cards that were bid on by the audience. In close, Jim and Whitney Crane promised to match the generous and **historic gift from Jim McIngvale causing this evening to be the most money raised for the organization in its 42-year history.**

The Gala was supported by many in many individuals, community partners and generous underwriters, including Legacy Leader sponsors Sheridan and John Eddie Williams, The Astros Foundation – Jim and Whitney Crane, Jim and Carole Walter Looke, Russell and Glenda Gordy; Safety Champions Brigitte Kalai, Alicia Smith, and Hallie Vanderhider; Safety Trailblazers Hildebrand Fund; and Community Front-Runners Clear Channel Outdoor, Faust Family, Tama Lundquist and Dr. Peter Farrell, Jordan Seff, Jennifer Hohman, and Zadok Jewelers.

WAYS TO GET INVOLVED

INDIVIDUAL DONATION

Make a tax-deductible gift to support crime-solving and crime-prevention programs that keep Houstonians safe, educated and empowered.

CORPORATE SPONSORSHIP

Your company can take a public stand against crime by **becoming a corporate partner**. Opportunities include tax deductible gifts, in-kind donations, event sponsorships and more.

ANNUAL EVENTS

Join us at one of our annual fundraisers! Our **Houston's Heroes Awards Luncheon** takes place in the spring and celebrates individuals and organizations who have gone above and beyond to keep our community safe. **Leading the Way to a Safer Houston Gala**, our largest event of the year, takes place in the fall and celebrates our history as we look forward to the future.

YOUNG PROFESSIONALS GROUP

Help raise awareness about our crime prevention efforts among your professional colleagues. Members have access to networking and social events, leadership development and the opportunity to personally invest in the largest Crime Stoppers organization in the world. Visit crime-stoppers.org/ypg.

ATTEND COMMUNITY EVENTS

Events are a unique and personal way for the community to interact with Crime Stoppers of Houston and learn what we do. We hope you will continue to attend our events and invite your own community to do so as well. Visit crime-stoppers.org/events.

HOST YOUR OWN EVENT

Introduce your community to all that Crime Stoppers of Houston has to offer. Our staff is prepared to walk you through the event-planning process. All you have to do is have a vision, invite friends, and underwrite the event. Event ideas include luncheons, cocktail parties, birthday fundraisers, or partnering with a local business or boutique. Email Paige Hollek at phollek@crime-stoppers.org for details.

CONNECT US WITH UNREACHED SCHOOLS

Our team keeps schools safe by creating a proactive dialogue with students, parents, school staff, and law enforcement about personal and school safety and by providing students with a safe and anonymous way to report crime and potential dangers on campus. Help us schedule a school presentation in your child's or neighborhood school. Email ssi@crime-stoppers.org for details.

VOLUNTEER

We are always looking for volunteers! We can use your help in the following areas: assembling or distributing Child ID Kits, attending outreach fairs on behalf of Crime Stoppers, helping at community events, Gala or Luncheon, and other special projects. Email Joshua Webb at jwebb@crime-stoppers.org for more information!
