

SPEAKER'S BUREAU

Through active collaboration, citizen empowerment and educational outreach, Crime Stoppers of Houston is leading the Nation with innovative crime prevention programming to keep our communities safe. Established in the early 1980's as solely a Tip Line Program, Crime Stoppers remains committed to its mission to solve and prevent serious crime in partnership with citizens, media and the criminal justice system, and now offers a robust public safety program that is reaching millions each year.

The Crime Stoppers' team is available to facilitate speaking engagements across the Nation on an array of safety topics. A list of available speakers can be found below.
